Subject: OCP Update - Carter Rd. neighbourhood

Hi Dave,

I wanted to let you know that the Carter Road neighbourhood has met several times over the past few months and we now have a completed Statement of Interest as well as a Neighbourhood Context Plan and a Neighbourhood Concept Plan.

The Carter Road neighbourhood is immediately adjacent to parcel 1 of the Community Lands and the proposed Belterra Cohousing project, and is only 10 minutes walk from Snug Cove. We feel there are likely to be big changes in the neighbourhood in the near future, so the residents and other property owners worked together and reached a consensus of what we would like these changes to look like.

We are hopeful that the OCP Steering Committee will be able to tell us during the scheduled meeting on November 4, when neighbourhood submissions will be accepted and perhaps what sort of presentation will be appropriate.

Yours truly,

Roger McGillivray
